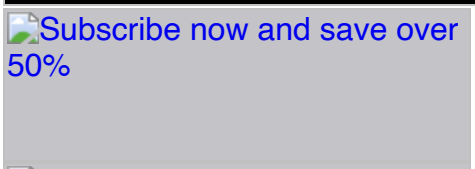
Subject:	Full digital access to The Economist

If for any reason you are unable to view this e-mail, please click here.



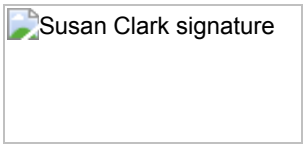
Dear Reader,

Because you are a registered user of *The Economist* online, I thought you may like to know that you can receive full access to *The Economist* apps and *The Economist* online and save over 50% on the cost of purchasing *The Economist* from the newsstand.

A digital subscription to *The Economist* gives you unlimited access to *The Economist* apps for iPhone, iPad and Android, *The Economist* online and *The Economist* in audio - allowing you to read and listen to each week's full edition from 9pm London time each Thursday.

Do subscribe now, for full access to *The Economist*'s unique world view and a substantial saving on the newsstand price. A digital subscription also comes with a money-back guarantee for the unexpired part of your subscription, should you decide to cancel at any time.

Yours sincerely,



Susan Clark
Managing Director, CEMEA & Group Marketing Director
The Economist Group

The Economist on Android operates on Android phones and small and medium tablets running OS 2.x.

Digital subscription benefits:

***The Economist* apps**
Read and listen to the full weekly edition of *The Economist* via our apps for iPhone, iPad and Android. Download each issue to your device from 9pm each Thursday, for easy offline reading.

***The Economist* online**
Access every article from each week's print edition. Enjoy full community participation and unlimited access to premium online content.

***The Economist* in audio**
Listen to each week's full edition of *The Economist*, read by professional newscasters.
